# U3A Bay of Islands Inc. Monthly Group Schedule

Updated August 2020

Please contact the facilitator of your group if you will not be able to attend a meeting.  
Please contact the facilitator of any group to ask to join the group or, if it's full, to be put on a waiting list. The facilitator can then invite you to join the group when space becomes available or notify the Group Convenor if the waiting list becomes long enough to suggest that another group could be formed.  
Some groups have 'swallows', who go away for part of each year. Most groups have members who miss occasional meetings. Depending on how a group functions, the facilitator can invite people on the waiting list to those meetings. This would not affect the position of those members on the waiting list
